

CRESCAT CAPITAL COMPLETES STRATEGIC INVESTMENT IN GOLIATH RESOURCES

Toronto, Ontario – December 11, 2020 – Goliath Resources Limited (TSX-V: GOT) (OTCQB: GOTRF) (Frankfurt: B4IF) (the “Company” or “Goliath”) is pleased to announce it has closed a non-brokered flow through and non-flow through financing for a total of \$1,834,573 net proceeds as no fees were paid on this offering. **Crescat Capital LLC (“Crescat”)** has made a strategic investment representing a 10.3% ownership of the Company and will have the option to participate in future financings to maintain its interest level for a three year period from today. Dr. Quinton Hennigh has been appointed as a technical advisor to the Company.

Goliath further announces that its board of directors has adopted a shareholder rights plan (the "Rights Plan") in order to ensure, to the extent possible, that all shareholders are treated fairly and equally in connection with any take-over bid or other acquisition of control of the Company.

The flow through funding consisted of 5,413,623 flow through units (“**FT Units**”), priced at \$0.25 each for gross proceeds of \$1,353,406. Each FT Unit consists of one flow-through common share plus one warrant to purchase one non flow-through common share at \$0.285 for a twenty-four month period.

The non flow-through funding consisted of 2,532,458 units (“**NFT Units**”) priced at \$0.19 for gross proceeds of \$481,167. Each NFT Unit consists of one common share plus one warrant to purchase an additional common share at \$0.285 for a twenty-four month period.

An Officer and Directors of the Company purchased or acquired direction and control over a total of 204,000 Units under the private placement. The placement to those persons constitutes a “related party transaction” within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 -Protection of Minority Security Holders in Special Transactions (“MI 61-101”) adopted in the Policy. The Company has relied on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of related party participation in the placement as neither the fair market value (as determined under MI 61-101) of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involved the related parties, exceeded 25% of the Company's market capitalization (as determined under MI 61-101). Further details will be included in a material change report to be filed by the Company. The material change report will not be filed more than 21 days prior to closing of the placement due to the timing of the announcement of the amended private placement and closing occurring in less than 21 days.

The Company did not pay any finder's fees in relation to this offering and the private placement is subject to TSX Venture Exchange approval. All shares issued pursuant to this offering and any shares issued pursuant to the exercise of warrants will be subject to a four-month hold period from the closing date.

About Crescat Capital LLC

Crescat is a global macro asset management firm headquartered in Denver, Colorado. Crescat's mission is to grow and protect wealth over the long term by deploying tactical investment themes based on proprietary value-driven equity and macro models. Crescat's goal is industry leading absolute and risk-adjusted returns over complete business cycles with low correlation to common benchmarks. Crescat's investment process involves a mix of asset classes and strategies to assist with each client's unique needs and objectives and includes Global Macro, Long/Short, Large Cap and Precious Metals funds.

Crescat is advised by its technical consultant Dr. Quinton Hennigh on investments in gold and silver resource companies. Dr. Hennigh became an economic geologist after obtaining his PhD in Geology/Geochemistry from the Colorado School of Mines. He has more than 30 years of exploration experience with major gold mining firms that include Homestake Mining, Newcrest Mining and Newmont Mining. Recently, Dr. Hennigh founded Novo Resources Corp (TSXV: NVO) and serving as Chairman. Among his notable project involvements are First Mining Gold's Springpole gold deposit in Ontario, Kirkland Lake Gold's acquisition of the Fosterville gold mine in Australia, the Rattlesnake Hills gold deposit in Wyoming, and Lion One's Tuvatu gold project on Fiji, among many others.
